3 Cadnant Planning – Datblygiad Lon Tan y Bryn Road Development
Bu cynrychiolwyr y datblygiad ddiolch am y gwahoddiad i gwrdd a’r Cyngor Tref. Pwysleiswyd bod cynlluniau yn parhau mewn ffurf drafft ar hyn o bryd ac nad oedd cais cynllunio wedi ei gyflwyno i CSYM. Cafwyd ddigwyddiad ymgynghori yng Nghlwb y Gorlan fel rhan o gyfnod ymgynghori cyn cyflwyno a bu peth adborth wedi hynnu.

Cadarnhawyd bod bwriad codi 52 o unedau preswyl ar y safle. Mae’r safle wedi ei rannu yn ddau er hwylusdod. Clwyd Alyn sydd berchen ar, ac yn gyfrifol am y datblygiad, gyda’g Williams Homes yn gyfrifol am y gwaith adeiladu. Bydd yr unedau yn parhau ym mherchnogaeth Clwyd Alyn onibai eu bod yn cael eu gwerthu i CSYM. Bydd yr unedau yn dai rhent gyda cymysgedd o rai un, dau, tri a pedair llofft ar rhent hyblyg canolraddol. Mae bwriad cynnwys rhai fflatiau un llofft, fydd o fewn unedau o bedwar wedi eu hadeiladu i edrych fel unedau tai semi.

Mae’r cymysgedd o dai mewn ymateb i’r gofyn a’r niferoedd ar gofrestr tai teg a chofrestr tai cymdeithasol. Cafwyd wybod bod 55 o geisiadau wedi rhestru Amlwch fel dewis cyntaf a 110 wedi rhestru Amlwch fel ail ddewis (rhestr tai cymdeithasol CSYM), mae 44 wedi enwi Amlwch ar y rhestr tai teg (rhent canolraddol). Cafwyd esboniad bod yr unedau canolraddol i’r rheini sydd yn gweithio ac yn enill gormod am dy cymdeithasol, ond bod ty rhent preifat allan o‘u cyrraedd. Grwp Cynefin sydd yn gyfrifol am gynnal y rhestr Tai Teg yng ngogledd Cymru.

Cafwyd wybodaeth pellach am sut mae gweithio lefelau rhent ar gyfer y tai canolraddol yn unol a model Joseph Rowntree. Mae’r rhent yn ddibynnol ar y nifer o bobl a’u horiau gwaith yn ogystal a maint y ty. Bydd gwybodaeth pellach yn cael ei anfon at y clerc i’w gylchredeg gyda’r aelodau wedi’r cyfarfod.

Cadarnhawyd bod y Cyngor wedi trafod y datblygiad wedi’r sesiwn ymgynghori cyn cyflwyno cais a bu trafod pob pryder/ sylw yn ei dro:

- Anghenion tai yn yr ardal – nodwyd bod yr angen am dai rhent wedi ei adnabod a bod tystiolaeth yn y niferoedd sydd ar y rhestrau aros (gweler uchod). Trafodwyd gor-ddatblygiad yn yr ardal gan nodi bod datblygiad sylweddol ar safle Madyn, a chynlluniau gan CSYM i adeiladu nifer o unedau ar Ffordd Porth Llechog (gefn wrth gefn a Maes Mona). Nodwyd nad oedd CSYM wedi cyflwyno cais cynllunio ar gyfer y datblygiad arfaethiedig yma eto.

- Carffosiaeth a dwr gwyneb – cafwyd wybodaeth cynhwysfawr am y cynlluniau arfaethiedig ar gyfer y ddau ran o’r datblygiad yn dilyn ymgynghoriad gyda CSYM a Dwr Cymru.

- Effaith amgylcheddol – cafwyd gadarnhad gan Cadnant Planning mai dim ond chwe coeden ar y safle fydd angen cael eu torri, ac y byddai nifer fawr o goed a phlanhygion eraill yn cael eu plannu ar hyd ymylon y datblygiad er mwyn cryfhau corridor bywyd gwyllt o un pen y safle a’r llall. Cadarnhawyd byddai’r coed newydd o maint sylweddol.

- Diogelwch cymdogion cyfagos – bydd yr unedau newydd yn gymysg drwy’r safle gyfan, ni rhagwelir byddai unrhyw effaith negyddol ar drigolion cyfagos nac o fewn y datblygiad.

- Effaith drilio ar eiddo cyfagos – bu Williams Housing gadarnhau eu bod yn ymgynghori ac yn gynnal archwiliadau cyn cychwyn ar unrhyw waith i sicrhau na fyddai un rhyw ddifrod i eiddo cyfagos o ganlyiad i'r datblygiad. Nid yw'n statudol ofynnol ymgynghori a gwasanaeth diogelu'r cyhoedd yn ystod y rhan yma o'r broses gynllunio.

- Cynydd yn y nifer o gerbydau ar y ffordd – bu cydnabod byddai nifer o gerbydau ychwanegol yn ystod y cyfnod adeiladu. Nodwyd bod nifer o'r contractwyr yn bobl lleol.

- Effaith ar yr iaith – cadarnhawyd bydd y rhent o fewn cyrraedd teuluoedd lleol ac y byddai eu gosod i bobl o'r ardal. Cadarnhawyd byddai enw Cymraeg ar y datblygiad, gyda chyswllt a hanes yr ardal gyfagos. Dim ond rhifau fydd ar pob uned unigol. Trafodwyd beth oedd yn dynodi 'person lleol', bydda posib i'r Cyngor Tref wneud cais a chynnig argymhellion i newid polisi gosod ar gyfer y safle penodol yma ond byddai angen i Clwyd Alyn a CSYM dderbyn a chytuno. Byddai angen trafodaethau pellach gyda'r cynghorwyr sirol.

- Pryder am berchnogaeth a rheolaeth gosod y tai – bydd yr unedau yn parhau ym mherchnogaeth Clwyd Alyn ac yn cael eu gosod fel nodwyd uchod.

- Pwysau ar wasanaethau lleol – nodwyd pryderon am effaith ar wasanaethau lleol sydd eisioes dan bwysau mawr.

- Contractwyr a cyflenwyr lleol yn cael cyfleon – cadarnhawyd bod nifer o gyflenwyr a chontractwyr Williams Housing yn bobl a chwmniau lleol ac y byddai hyn yn parhau.

Mae gobaith cyflwyno cais cynllunio llawn i CSYM erbyn diwedd mis nesaf. Bu diolch i'r cynrychiolwyr am eu hamser ac am rannu gwybodaeth gyda'r Cyngor.

The representatives of the development thanked the Council for the invitation to meet with members. It was emphasised that plans remain at present in draft form and that a planning application had not yet been submitted to IACC. A consultation event has been held at Clwb y Corlan as part of the pre-application consultation period prior to submission.

The intention to build 52 residential units on the site in question was confirmed. The site has been divided into two for ease of development. Clwyd Alyn owns, and is responsible for the development, with Williams Homes responsible for the construction work. The units will remain in the ownership of Clwyd Alyn unless they are sold to IACC. The units will be rental properties with a mix of one, two, three and four-bedroom units at an intermediate, flexible rent. It is intended to include some one-bedroom flats, which will be presented as units of four built to look like semi-detached houses.

The mix of houses is in response to the demand, the numbers on the Tai Teg register and the social housing register. It was found that 55 applications have listed Amlwch as first choice and a further 110 have listed Amlwch as second choice (IACC social housing list), 44 have named Amlwch on the Tai Teg register (intermediate rent). It was explained that the intermediate units are for those who work and earn too much to be eligible for social housing, but that a private rental house is out of their reach. Grwp Cynefin is responsible for maintaining the Tai Teg register throughout North Wales.

Further information was obtained on how rent levels were set for the intermediate rental houses in accordance with the Joseph Rowntree model. The rent is dependent on the number of people and their working hours as well as the size of the house. Further information will be sent to the clerk to be circulated with the members after the meeting.

It was confirmed that the Council had discussed the development following the consultation event held at Clwb y Gorlan. Each item of concern was discussed in turn:

- *Housing needs in the area - it was noted that the need for rental housing has been identified and there is evidence in the numbers on the waiting lists (see above). Overdevelopment in the area was discussed noting that there is significant development on the Madyn site, and plans by IACC to build a number of units on Bull Bay Road (back to back and Maes Mona). It was noted that IACC had not yet submitted a planning application for this proposed development.*

- *Sewerage and surface water - comprehensive information was shared about the proposed plans for both parts of the development following consultation with IACC and Dwr Cymru.*

- *Environmental impact - Cadnant Planning confirmed that only six trees on the site would be felled, and that a large number of trees and other plants would be planted along the edges of the development in order to strengthen the wildlife corridor from one end of the site to the other. It was confirmed that the new trees would be substantial rather than small saplings.*

- *Safety of nearby neighbours - the new units will be mixed throughout the site; it is not anticipated that there would be any negative impact on nearby residents or within the development.*

- *Impact of drilling on neighbouring properties - Williams Housing confirmed that they would consult with, and carry out inspections before starting any work to ensure that there would not be any damage to neighbouring properties as a result of the development. It is not a statutory requirement to consult with the public protection service at this stage of the planning process.*

- *An increase in the number of vehicles on the road - it was recognised that there would be a number of additional vehicles during the construction period. It was noted that many of the contractors were local people.*

- *Impact on the language - it was confirmed that the rent will be within the reach of local families and that the units would be let to people from the area. It was confirmed that the development would have a Welsh name, with a link to the history of the surrounding area. There will only be numbers on each individual unit. It was discussed what designated a 'local person', it will be possible for the Town Council to make an application and offer recommendations to change the letting policy for this particular site but Clwyd Alyn and IACC would need to accept and agree. Further discussions with the county councillors would be needed.*

- *Concern about the ownership and control of letting the houses - the units will remain in the ownership of Clwyd Alyn and will be let as stated above.*

- *Pressure on local services - concerns were noted about the impact on local services which are already under great pressure.*

- *Local contractors and suppliers' opportunities - it was confirmed that a number of Williams Housing's suppliers and contractors are local people and companies and that this would continue.*

It is hoped to submit a full planning application to IACC by the end of next month. The representatives were thanked for their time and for sharing information with the Council.

Three requests for financial support were considered, namely the Gwlad y Medra Committee (Royal Welsh Show), Mencap Mon and the Urdd Eisteddfod Ynys Mon. The committee recommended that the Council did not contribute towards Gwlad y Medra Committee or Mencap as they were not specifically active in Amlwch. The committee suggested that the Council contribute £200 towards the Eisteddfod noting that a number of children and young people from Amlwch compete and take part. A report was given by Gordon Warren about the activities at the food bank. A small team of regular volunteers has ensured that 56 referrals have been realised this year to date. Food donations are constant thanks to the community and local businesses and cash donations enable the volunteers to buy any other items that are in short supply. The Town Council was thanked for the use of the rooms at a reasonable cost, and the Council in turn gave thanks for the service provided.

Cefnogi'r fenter a'r busnes ond y cais yn y lleoliad anghywir.
